Re: staff, disciplinary

CASE # 5:17-CT-03278-BO

Mr. Solomon, I, Jacqueline Baskerville, Classification Coordinator at PCI 3980 is responding to Inmate Jenyon McElvine's 0655152 correspondence to you. Inmate McElvine was rehoused at Polk CI 3980 Hcon Housing Unit on 9/30/16 from Lanesboro CI 4865, due to being involved in assaulting and seriously injuring numerous staff. Upon arrival to PCI 3980, Inmate McElvine was placed on a 15 days RHAP control, due to being under investigation for the incident. He was continued on 45 days RHAP on 10/15/16, which was scheduled to end on 11/28/16. He was continued because the investigation from Lanesboro wasn't complete. In consultation with Mr. Lane Partin (Division Classification Coordinator), it was discussed that Inmate McElvine could be referred for RHCP control (60 days) if disciplinary wasn't completed by 11/28/16 and inmate still being housed in Hcon. On 11/22/16, Inmate McElvine met FCC for placement on Hcon. The Hcon referral was initiated by his assigned case manager (Mr. Michael Henderson), due to RHAP time about to expire and disciplinary investigation being incomplete. However, on 11/28/16 Inmate McElvine met DCA (Mr. Partin) and was recommended for RHCP (60 days) instead of Hcon. This was based on the disciplinary still being incomplete and to allow additional time for investigation completion. Inmate was recommended for demotion to close custody on 11/22/16 by his assigned case manager (Mr. Michael Henderson), due to him being referred at that time for control housing (Hcon) and assignment to control housing warranting close custody classification. On 12/20/16, the investigation was completed and inmate was found guilty of an A2, A3 & A14 infraction, by DHO. Inmate appealed the decision and the punishment was upheld on 1/26/17. Inmate was placed on 60 days RHDP. Inmate McElvine was referred for Hcon placement on 1/3/17, due to him being found guilty of the assault at Lanesboro CI. Inmate McElvine met FCC on 1/4/17 for 180 days Hcon recommendation. During the hearing, Inmate stated, "I just want my time of being back here/days to go towards my Hcon stay. I've never been on control status: Icon, Mcon nor Hcon before." Inmate was advised that when he meet DCC, he can address his concerns about being credited time in Hcon. Inmate met DCC on 1/10/17 and was recommended for placement on Hcon. During the DCC meeting, notes states that Inmate McElvine stated, he had smoked K2 on the day of the incident and has no recollection of what happened. I wasn't present for the DCC meeting. In my absence, the meeting was conducted by Mrs. Doris Daye, Assistant Superintendent of Programs. Final approval for 180 days Hcon placement was recommended on 1/10/17 by Mr. Shane Tharrington, Classification Manager.

Sincerely,

Jacqueline Baskerville
